

Int. Bedroom

Carrie catches Doug fantasizing about other women while he was under sedation in the hospital. Doug is in bed and Carrie is bringing him lunch in bed.

Doug Oh Hi

Carrie Hey

Doug This band aide has been itching me

Carrie Oh let me get that for you

Doug Ouch! What are you doing?

Carrie Well you were just picking at it like a little girl. Ok, it was annoying.

Doug You've been snapping at me all day, what's up?

Carrie Why don't you ask Inez, what's up?

Doug Inez, you mean the girl from Lenzcrafters?

Carrie You tell me

Doug What are you talking about?

Carrie Ok, well while you were in the hospital after the surgery when you were sleeping you were moaning all these girls names

Doug What?

Carrie Yeah... Oh Candice, oh Inez, oowwh Tonya, sickening.

Doug Ohhh, those weren't girls, I was having a dream where I was helping someone name a litter of puppies

Carrie Ohhhh... well apparently two puppies named Brittany and Christina were making out with you in a limo.

Doug That's because I had treats in my pocket... look fine, maybe I was having some kind of crazy dream but... ya know I love you, you know I'm totally attracted to you, it's just like any guy, once in awhile an image of another women just pops in my head for just like a second, but you're my lady you're my honey!

Carrie Ohh, that's funny because your honey's name didn't come up. There was a Car..roline, and a... car..wash girl, but no Carrie.

Doug Because I don't need to fantasize about you ~~but~~ you're the living fantasy that I'm honored to share my life with

Carrie Oh will you shut up, look I know it's normal, Ok, but I mean there I was in the hospital room feeling sorry for you and the next thing I know you're fantasizing about cheating on me with all these scanks.

Doug I wasn't cheating ^{Ok}

Carrie Doug we're married ok, I'm your wife and you're doing stuff in your head with them how is that not cheating?

Doug It's just not

Carrie How?

Doug You're not there - end it!

Carrie I'm not there, what I'm out of the room, I'm out of the country, what?

Doug You're ^{so much} not alive.

Carrie Ok so let me get this strait, in your fantasies you kill me

Doug Na, no I don't, it's the rare disease that kills you, or the bolt of ^{or} lightning, definitely not me.... Ooouurwww, that wasn't ready to come off yet.

Carrie I can't believe what I'm hearing here.

Doug Let me explain Ok

*Breathe ... bring it back
- Allay her fears - It's because of how much I love you*

Carrie Please Doug explain to me why I shouldn't be upset that you want me dead.

Doug Look I don't want you dead, you got it all wrong, I mean, the truth is I love you so much that I could never imagine cheating on you so the only way I could have any fantasies at all is if you were up there.

Carrie So to avoid the guilt of adultery you chose murder

Doug Again, not murder, in my fantasies you are always taken from me tragically, I'm ² devastated. I give myself two years to grieve: after that, even your friends are like you gotta move on.

Carrie And would one of those friends be Lisa, my friend your always checking out

Doug She maybe one of those consoling me, yes

Carrie And do you end up sleeping with her?

Doug For God sakes its been two years

Whoa... think... but then

Carrie Eew yeah, Ok, so what I'm getting here is that I'm electrocuted and you're bopping my friends

Doug No, no, no it's not usually your friends, it's not typical at all

Carrie What is typical Doug

- get sympathy from her. I'm sick, shouldn't I heal in peace?

Doug You really want to open this box? cause I don't.

Carrie Yes, I think I do

Doug Fine like I'm in the park... grieving, trying to heal, trying to quiet the endless screaming in my soul, when a chick in a sports bra comes over to me

Carrie Ahhuh...

Doug But its innocent, you know, we just start talking and then I introduce her to Bobby.

Carrie Who's Bobby.

Doug He's our son,

Carrie We have a son?

Doug *Aren't you honored?* He's the part of you that lives on *- give her this gift.*

Carrie Alright I don't want to hear anymore of this.

Doug Wait there's a whole lot of judging me going on here. What about you? You fantasize about other men right?

Carrie Ya, occasionally, but I'm really gonna step it up know.

Doug I'm serious, like you and Keanu are getting it on, where am I? What do you do with me?

Carrie You're around, I'm just cheating on you I'm not pushing you down a flight of stairs

That's not fair -

Doug I don't push you down stairs, you trip on Bobby's skateboard.

Carrie Ohh, bite me.

Doug Ohh, I certainly see where he gets his mouth from.
